

Byron Nelson High School

Bobcat News for August 28, 2020

Bobcat Class of 2024 and Students New to Byron for the 20-21 School Year,

Save this date in your calendar...**Tuesday, September 8 from 6:00 – 8:30 PM.** Why? Because you are invited to join us on campus for an orientation to BNHS! By following social distancing guidelines, an acknowledgement that all students are COVID Free, have self-screened and are able to be on campus, our Lynx Crew and staff members will offer an opportunity for our newest students to tour the building and receive important information.

For our tenth, eleventh and senior students who have chosen in-person instruction, we'll see you on Monday, September 14, 2020.

We look forward to meeting our future Bobcats!

Sincerely,

Ron Myers
Principal
