## **Yearbooks on Sale Now!**

One thing that you DON'T want to miss out on this year is the YEARBOOK! Right now, through September 25, the yearbooks are at their lowest price of \$70. Also, if you like to personalize your yearbook, you can get 4 FREE icons in your personalization. This "Welcome Back" Yearbook sale only lasts this week, so don't miss out on the lowest price and 4 free icons.

Last year we completely sold out of yearbooks and parents and student were wishing that they had preordered. Jostens even makes it easy to pay in installments on their website. Just go to [JostensYearbooks.com](https://www.jostensyearbooks.com) to purchase your Byron Nelson High School yearbook today!

Sincerely,

The Territory Yearbook staff
