Yearbook Portraits Make-up Day

Dear 9th, 10th and 11th grade students and guardians:

The make-up day for school portraits (yearbook portrait and school ID picture) has been set for Tuesday, October 27 from 2 p.m. – 5 p.m. The photographer will be set up in the Front Foyer of the school around the outside of the PAC.

Please make plans, if you are a REMOTE learning student and missed the original 4 days for portraits, to come up to school Tuesday, Oct. 27. If you come during the school day while classes and the final lunch are in session, please realize that we do have lunch tables set up in the front foyer during all lunches. If you come before 2:40 you WILL be around many students eating with masks off. However, once 6th period lunch is over at 2:20, and passing period ends at 2:25, the foyer should be free of most students and therefore easier to maintain social distancing.

If you still choose to come up during regular hours, you will go through the front office to check in and then go straight to the area outside of the PAC in the school's front foyer to have your picture made.

All IN-PERSON students who need to take their portrait, you also will go to the school's front foyer between 2 p.m. and 5 p.m. to have your yearbook picture made.

This will be the ONLY make-up day for school portraits; please put a reminder on your calendar so you don't miss it. We don't want ANYONE to be left out of the yearbook! See you October 27,

The Territory Yearbook staff
