

A Message from BNHS

Keeping our families informed

November 3, 2020

BNHS Parents & Students,

I look forward to seeing our students tomorrow, November 4 as they return to school. We'll open our doors at 8:20 AM; students will head to their first period and continue to work towards a successful semester.

As you recall, students, last Friday, we participated in our monthly fire drill and as part of our routine safety drills, I wanted to let our parents and students know that we will have a lockdown drill tomorrow. My thanks to the local police departments as they work with us to practice these necessary procedures.

I also want to thank you parents, and students, for following through with the COVID reporting procedures. While we cannot control social gatherings outside of the school day, our students have done a terrific job wearing their masks and respecting these guidelines. And, we can't wait until our remote learners join us on campus.

Best to everyone this afternoon, and we'll see our Bobcats tomorrow.

Sincerely,

*Dr. Ron Myers, Principal
