

*January 5, 2021*

*Good afternoon, Byron Nation,*

*We trust that our Bobcat students and families had an enjoyable break and are ready to return for the second semester of the 20-21 school year. Based on what I have seen from our students this past semester, I know that the spring semester will continue to offer lots of opportunities for learning as you reach your academic goals. Whether you are a remote or in person learner, I trust you will take full advantage of the classes, clubs and extra-curricular opportunities so that 20-21 will be a year that will be remembered in a way that is not defined only by COVID.*

*I'll look forward to our students returning on Wednesday, January 6, as they follow their second semester schedule, which is found in the Home Access Center. Schedules may have changed since semester 1 ended, so please double check the order of your classes. Until then, enjoy your last vacation day and best to all who make up Bobcat Nation.*

*Sincerely,*
